

# PARK EAST CIVIC ASSOCIATION

MINUTES OF MEETING  
JUNE 21, 2005

Hello Neighbors:

Hope you enjoyed a safe and patriotic July 4th. Our continued prayers and thanks go to the members of the Armed Forces who fight for our freedom and liberty.

Do to my having to work, I was unable to attend our last Park East meeting; however, Tom Landers, our vice president, chaired in my place. The meeting covered hurricane preparedness and we were also informed by the police department that our area continues to be very low in crime compared to our neighboring areas. Code Enforcement stresses that all residents maintain visible house numbers (addresses) from the street in case of emergency.

During the months of July and August we will not be holding PECA meetings due to many of our residents going on vacation; therefore, we will resume our monthly meetings on Tuesday, September 20th. Should there be any new information that concerns our PECA members I will keep you all informed.

I would like to report the sidewalk replacement program is moving along slowly due to changes of contractors with the city. We have been assured of their completion by late August. The areas receiving new sidewalks are between Grant and Arthur Street from 30th Rd. east to 95. If anyone has any ideas or items to add to your wish list, please email me so we can add them to the next City grant agenda.

Should you have any questions or concerns please do not hesitate to call me at (954) 260-3335 or via email.

Thank you and God bless you all and have a safe summer!

John Lexa
