

PARK EAST CIVIC ASSOCIATION

MINUTES OF MEETING
MAY 17, 2005

Hello Neighbors,

Hoping this finds you and your family doing well. Having enjoyed a delightfully cool winter, we are looking forward to a quiet hurricane season.

Although we did not have a guest speaker, I am pleased to report that our PECA (Park East Civic Association) meeting on May 17th went well with 14 members and 7 city employees in attendance.

The meeting was called to order at 7:10 pm with a welcome to all followed by the pledge and the treasurer's report.

Chuck Vollman- HCCA representative read the minutes for HCCA meeting

Officer Dunn - PECA's Neighborhood Police Resource officer had no crime in the Park East area to report but urged residents to continue to be vigilant about any suspicious activity and to not hesitate to call him at (954) 605-7269 or 911 should the situation be of a urgent nature.

Louise Jefferson - Code Enforcement representative handed out flyers regarding the planting of trees in your swales and the most common complaints/problems her office receives regarding animals in the neighborhood such as dog fences, excessive barking and running at large.

Captain Powers - Hollywood Fire Rescue spoke to residents regarding better house address visibility

Commissioner Bober - informed us about the progress on several issues affecting Park East such as palm tree replacement back on agenda, voting on height restrictions for the beach area and changes at the Millennium Mall (formerly Hollywood Fashion Center)

Meeting was adjourned at 8:45

Announcements/Reminders:

Some of the topics that we will be discussing at the next meeting on June 21st are tree planting in designated areas and royal palm tree replacement, which are in the master plan. Park East residents and/or neighbors interested must be present.

We will also have a guest speaker who will advise us on hurricane preparation. Hope to see you all there.
